LA CLARA

A completed residence on South Flagler Drive

1515 SOUTH FLAGLER DRIVE, WEST PALM BEACH

OVERVIEW

LIFE AT LA CLARA

La Clara is a twenty-five-story tower on South Flagler Drive, completed in 2024, looking over the Intracoastal to Palm Beach Island and the ocean. Every residence has its own terrace facing southeast, so the light comes in all morning and the views stay private.

Designed inside and out by Hariri Pontarini Architects, the interiors are bright and calm, in white oak and light marble, and the amenities are those of a resort: a pool with cabanas and its own concierge, a waterfront gym and spas, and a staff on hand around the clock.

In a finished building you can stand on the terrace before you decide, and at La Clara the floor and the line decide how much of the water and the island the terrace holds. Lisa can tell you what's available and how each one lives. Begin a private conversation.
